

COMPASS BANK

Multiple Locations

When Jones Lang LaSalle wanted to capitalize on the benefits of LED Lighting in Compass Bank branches, they trusted FSG to help identify the right products and solutions to get the job done.

Owner

Jones Lang LaSalle

Contract Type

Lighting

Contract Amount

\$2,500,000.00

Electrical Contractor

FSG

CHALLENGE

Compass Bank needed to find a partner they could trust to help them upgrade the existing lighting in their branches to more efficient LED lighting. The challenge was being able to identify the right products and solutions that would meet their efficiency needs while still maintaining design standards.

SOLUTION

FSG was able to bring its experience in the lighting industry and its national capabilities to the project for Compass Bank. With a wide array of options in manufacturer and product, FSG was able to find the right products and develop a turn key national LED lighting upgrade project for Compass Bank.

RESULT

To date, FSG and JLL have completed multiple LED lighting upgrades at Compass Bank branches around the United States. The project will continue until the Compass Bank has achieved its goals for the project.
