## FSG Announces **Katy Harkey** HR Generalist Houston

---

---

*"I am thrilled to join the FSG family  
where the highest priority is to  
always strive to create a rewarding  
employee experience."*

*- Katy Harkey*

---

FSG is delighted to introduce Katy Harkey as our new HR Generalist based out of Houston. Katy will report to Sunny Rajabi, FSG's Director of Employee Experience.

In this role, Katy will be responsible for the entire employee life cycle and experience in Houston, Albuquerque, Phoenix, Tampa, and Denver. She represents one of many investments in our HR team that support a development philosophy based on building employee solutions, candidate engagement, and profit growth.

---

Katy is a human resources professional with over six years of experience in progressive human resource leadership for rapidly growing companies spanning four separate industries. She specializes in bringing her team's expectations to fruition by relying on two main components for workforce excellence: integrity, and transparency.

Reflecting on her new role, Katy says, "I am so excited to be part of an institution that has exciting plans for the future and shares the same ideology of fostering an engaging environment while working together towards success. I look forward to calling FSG home for many years to come."

Please join us in welcoming Katy as she works to positively contribute to the lives of FSG employees at each of the branches she serves.
