

FSG Announces Director of Purchasing Oscar Montes

"I am looking forward to the opportunity to contribute my skills and expertise in this role to drive innovation, create meaningful impact, and together, shape a brighter future at FSG."

- Oscar Montes

The goal of the FSG Institution is to structure the business in a way that supports its people and the growth of the operation. In our ongoing efforts to optimize and lower our procurement expenses, we are pleased to announce the hiring of Oscar Montes as Director of Purchasing.

Oscar brings 14 years of experience in corporate purchasing and ERP implementation and oversight to FSG. He also serves on the board of the Houston chapter of the Gulf Coast Plumbing, Heating, & Cooling Contractors Association and is an active member of the Houston chapters of both Associated Builders & Contractors and Associated General Contractors.

Oscar will report to FSG President, Bill Graham, and will be responsible for developing a purchasing strategy for FSG. He will also work on aligning distribution partners across all FSG electrical operations and collaborating with all FSG Purchasing Managers to ensure pricing consistency from all distribution partners. Additionally, Oscar will be responsible for negotiating corporate agreements that will ultimately provide FSG with better pricing and service.

Oscar holds a Bachelor's Degree in Mechanical Engineering and is currently pursuing another degree in Supply Chain Management. He possesses certifications in Supply Chain Management, Effective Negotiation, and Organization management.

We invite you to join us as we congratulate Oscar on his new role.
